

Dear Neighbor,

A MESSAGE FROM BERWYN FIRE COMPANY EMS CAPTAIN, MIKE BASKIN

Nearly 2,300 times each year someone in your neighborhood dials 9-1-1 for a medical emergency and Berwyn Fire Company responds with an ambulance. In the event of an emergency, you expect that an ambulance will arrive quickly, be staffed with highly trained individuals, and have everything it needs to properly care for your friend, neighbor or loved one. And so do we. The first responders of Berwyn Fire Company strive to provide nothing but the best level of care, 24/7/365. **To allow us to continue our high-quality care and services, I ask that you support us with a tax-deductible donation.** Your donation is necessary so that we can provide state-of-the-art, rapid emergency medical services (EMS) that you, your family, or neighbors may need in the event of a medical emergency.

As we navigate our way out of the pandemic, our teams are just as happy to see it in our rearview mirror as you are. There have been many projects that our department had to put on hold that we will continue to work towards; most importantly our infrastructure. Our current main station is over 90 years old. Additionally, we continue to work towards reducing response times in the Chesterbrook, West Valley & Swedesford Road corridor with a temporary substation near Gateway Shopping Center. **Our hope is to be able to build a permanent substation to ensure the continuation of improved response times.**

Some common misconceptions are that the fire company is 100% supported by local or state tax dollars and is a fully paid organization. Both of these instances are false.

Our basis for continuing to provide best-in-class emergency services is largely dependent on the generosity of families and businesses through private donations.

We greatly appreciate your support so that we may continue to respond to emergencies within your community.

HOW TO DONATE

1

Scan this QR code with your Camera app on your smartphone or visit:

WWW.BERWYNFIRECO.ORG/FUNDDRIVE

2

Fill out the online donation form & select your payment method, and receive an e-receipt. **If selecting to pay with check, please mail using the provided envelope.**
